

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, [www.NebraskaBlue.com](http://www.NebraskaBlue.com). Important Questions	Answers	Why this Matters:
<b>What is the overall deductible?</b>	Individual/Family <u>In-Network</u> : \$2,000/\$4,000 <u>Out-of-Network</u> : \$4,000/\$8,000	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, they have to meet their own individual <u>deductible</u> until the overall family <u>deductible</u> amount has been met.
<b>Are there services covered before you meet your deductible?</b>	Yes, <u>preventive care</u> , <u>prescription drugs</u> , and <u>provider office</u> services.	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	<u>In-Network</u> : \$4,000/\$8,000 <u>Out-of-Network</u> : \$8,000/\$16,000	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	Premium, <u>balance billed</u> charges, penalties, denial for failure to obtain certification and services this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="http://www.NebraskaBlue.com/find-a-doctor">www.NebraskaBlue.com/find-a-doctor</a> or call 1-844-201-0763 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (a balance bill). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a specialist?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your overall deductible has been met, if a deductible applies.
