| Important Questions | Answers | Why this Matters: |
|--|---|---|
| What is the overall deductible? | Individual/Family In-Network: \$6,000/\$12,000 Out-of-Network: Not Covered | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, they have to meet their own individual <u>deductible</u> until the overall family <u>deductible</u> amount has been met. |
| Are there services covered before you meet your deductible? | Yes, <u>preventive care</u> , some <u>prescription drugs</u> , and <u>provider</u> office services. | This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the out-of-pocket limit for this plan? | In-Network: \$7,900/\$15,800 Out-of-Network: Not Covered | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | <u>Premium</u> , <u>balance billed</u> charges, penalties, denial for failure to obtain certification and services this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a network provider? | Yes. See www.NebraskaBlue.com/find-a-doctor or call 1-844-201-1514 for a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . Within the state of Nebraska, this <u>plan</u> has no <u>out-of-network</u> coverage. Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a referral to see a specialist? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

 All copayment and coinsurance costs shown in this chart are after your overall deductible has been met, if a deductible applies.
